About Global Intake Education Fair

The Global Intake Education Fair 2023 will connect talented and affluent students from Africa aiming for higher education abroad with international education providers, universities, and agents. GIEF 2023 will focus on providing accurate knowledge to students directly from educational institutions and agencies from around the world. Prospective students will be able to connect with exhibitors and sponsors to get tailored help, listen to expert speakers, get visa and career advice, and make informed decisions to get into top universities in the world.

Student Attendee Insights

Student Attendees at the GIEF 2023 will:

- Get the most accurate information about foreign education opportunities and educational tourism
- Speak with representatives from top universities from around the world and the chance to get on-the-spot admissions
- Get customized support with completing your goals for studying abroad
- Get student visa counseling from professional consultants

Benefits for Institutions

GIEF 2023 is the most disruptive virtual educational fair in Nigeria and West Africa and will be an amazing opportunity for institutions and sponsors to meet students who are actively looking for opportunities for foreign education. Institutions will get the chance to connect with attendees that include students, parents, young professionals, and educational agency representatives.

Institutions also get access to prospective student profiles, their supportive educational documents, and contact information for their active database. You can leverage an on-scale advertising campaign and dedicated social posts to improve your reach. The virtual event platform offers remarkable sponsor visibility and opportunities to showcase your product or service.
